

TOWN OF LOVELL * * * MUNICIPAL SWIMMING POOL

(Form B-2)

POOL Facility Use Request Form

(POOL ONLY)

The Town of Lovell encourages the use of the municipal swimming pool by the public. The pool is contracted for use by the Big Horn County School District #2 for the majority of time during each school year. At other times when there is no school activity in session, the municipal swimming pool will be available for non-educational use when there are no sanctioned School District #2, Community Education, or Recreation Department events or activities scheduled.

Guidelines

The following conditions for private and public use of the Lovell Municipal Pool apply:

1. All outside groups requesting the use of the municipal pool must complete and forward a "Facility Use Request Form" to the Community Education/Recreation Director at least one (1) week prior to the desired activity.
2. All requests are subject to Lovell Recreation Director approval.
3. The Town of Lovell/Lovell Recreation District reserves the right to refuse use of facilities to outside groups for good and sufficient cause.
4. Adult supervision must be provided for the entire activity.
5. The person who signs the facility use agreement for the rental group will be considered the responsible party while the group is using the facilities.
6. Each group using the facilities will be charged a refundable cleaning deposit.
7. When applicable, a key may be checked out for access to the facility. The key will be returned immediately following the activity. The person responsible will not lend the key to another person without the Recreation Director approval.
8. Absolutely no alcohol, use of controlled substances, or smoking is allowed on any School District #2 property. Therefore, since the municipal pool is located within School District #2 property, this policy applies to the swimming pool and its facilities also.
